For test administration

2018 Key stage 1 English grammar, punctuation and spelling test

The key stage 1 English grammar, punctuation and spelling test consists of 2 papers. The papers must be administered in order. Pupils do not have to sit both papers on the same day. If both papers are administered on the same day, pupils may benefit from a break between papers. Both papers can be administered to the whole class, smaller groups of pupils or on an individual basis. All test materials must be stored securely until Friday 1 June.

Paper 1: spelling

The following information explains how to administer the key stage 1 English grammar, punctuation and spelling test Paper 1: spelling. If you have any questions, you should check with your headteacher or key stage 1 test co-ordinator before you administer the test. The transcript for administration of the test is included in these instructions.

Please follow these instructions correctly to ensure the test is properly administered. Failure to administer the test correctly could result in a maladministration investigation.

Format	● Paper 1: spelling consists of an answer booklet for pupils to complete and a test transcript to be read by the test administrator. The transcript is included in this guidance. ● It is expected that Paper 1 will take approximately 15 minutes to complete, but it is not strictly timed. ● It is at your discretion to choose when, or if, a pupil requires a break during the test or whether, if appropriate, to stop the test early.
Equipment	Each pupil will need the equipment specified below: ● a pencil or blue/black pen ● a rubber (optional). If rubbers are not provided, tell pupils that they should cross out any answers they wish to change. Pupils are not allowed: ● dictionaries ● electronic spell checkers ● bilingual word lists or electronic translators.
Assistance	● Pupils should not require any assistance during the administration of Paper 1: spelling. You must ensure that nothing you say or do during the test could be interpreted as giving pupils an advantage, for example indicating that an answer is correct or incorrect, or suggesting the pupil looks at an answer again. ● You should take care not to overemphasise spelling when reading out the words that pupils need to spell. ● There is no specific hearing impairment guidance for this test, but be careful when signing to ensure you do not convey information that could give pupils an advantage. If this paper is presented through sign language, finger spelling must not be used. ● Guidance for administering the test to pupils with a visual impairment is contained in the relevant modified test pack.
Before the test begins	● Review the list of pupils with any particular individual needs, for example pupils who may need support from a scribe or a transcript made at the end of the test. ● Ensure you know how to administer any access arrangements correctly by referring to the 2018 key stage 1 access arrangements guidance. ● Check there are enough test administrators to maintain supervision and support during the test. You should consider the possibility that at least one test administrator might need to leave the room with a pupil. ● Ensure you understand how to deal with issues during the test.

You should think of your own answers and you must not talk about them with anyone else.</i> <i>Do you have any questions?</i> <i>Now turn to page 2.</i> <i>There is 1 practice question that we'll do together.</i> - Read the practice spelling to the pupils. <i>The word is today.</i> <i>We are going out today.</i> <i>The word is today.</i> - Check all pupils have understood that 'today' should be written in the first blank space. - Explain that you will now read the rest of the sentences and the missing words. - Leave at least a 12-second gap between spellings. - The target words may be repeated if needed. - The 20 spellings should be read as follows: 1. How to deal with issues during the test	It is impossible to plan for every scenario. Whatever action you take, pupil safety must always be your first consideration. In the following circumstances, you will need to stop the test either for an individual pupil or for the whole cohort: • test papers are incorrectly collated or the print is illegible • an incorrect test has been administered • a fire alarm goes off • a pupil is unwell • a pupil needs to leave the room • a pupil is caught cheating. If you need to stop the test: • make sure the pupils are kept under test conditions and that they are supervised • if the pupils have to leave the room, ensure they do not talk about the test • speak to your test co-ordinator or a senior member of staff for advice on what to do next • consider contacting the national curriculum assessments helpline on 0300 303 3013 for further advice. You should brief your headteacher on how the incident was dealt with once the test is over.
What to do at the end of the test	• Follow your school's procedure for collecting and storing the pupils' test scripts. • All test materials must be stored securely until Friday 1 June. • If you need to make a transcript of a test script, complete it with the individual pupil at the end of the test under test conditions. Particular care should be taken to ensure accurate transcriptions are made and the pupil's spellings are not corrected or amended.
Marking the tests	• Use the key stage 1 test mark schemes to mark the test, following both the general guidance and any specific guidance for each question.
