You can use these tables to convert raw scores to scaled scores for the 2024 key stage 2 (KS2) national curriculum tests.

A scaled score between 100 and 120 shows the pupil has met the expected standard in the test. The lowest scaled score that can be awarded on a KS2 test is 80. The highest score is 120.

Pupils need to have a raw score of at least 3 marks to be awarded the minimum scaled score.
